SPFT ATHLETE'S CODE OF CONDUCT

Being a member of the Stevens Pass Freeride Team is something each athlete should be proud of. While skiing and snowboarding is an individual sport, you train and compete not only for yourself, but also for your Team. As a member of the SPFT, each rider needs to be considerate and supportive of his or her other Team Members at all times.

In addition, each athlete enjoys certain privileges at Stevens Pass, not available to the general public. SPFT would not be possible without the support and assistance of Stevens Pass. This support and these privileges cannot be taken for granted and must not be abused.

You must remember that while skiing or snowboarding at Stevens Pass, whether training or merely for fun, you will be considered to be a member of SPFT. This is a responsibility that each rider must be aware of at all times.

As a part of this responsibility, SPFT riders SHALL AT ALL TIMES:

1. Maintain high standards of moral and ethical conduct, which includes self-control and responsible behavior and consideration of each athlete's coaches, TEAM members and others' physical and emotional well-being.
2. Abstain, at all times, from the use or possession of illegal drugs, alcohol and tobacco.
3. Follow and abide by the Ski Area's Code of Conduct.
4. Avoid profane or abusive language and disruptive behavior.
5. Abide by the rules of competition in all events entered and, in addition, respect the judgment of any official.
6. Observe any additional rules established by any of your coaches.
7. Set a good example for other racer, especially you're younger Teammates.
8. Treat coaches and other Team Members with dignity.
9. Refrain from using iPod's during class session and limited cell phone use will be allowed.
10. Wear appropriate attire depending on weather conditions

Coaches and athletes parents will confront athletes suspected of breaking rules. Disciplinary action will be determined by the director and coaching staff.
